

Niska (Miley) 09-080

Hello GRRoW!

Well, our little family is complete. My little pony Dooley has a baby sister Niska (Miley)...and he just adores her and she just loves him.

They play hard, but when it is all said and done, they snuggle nicely.

There were some slight misgivings regarding Dooley's size until we remembered he's a puppy at heart. So Niska is a perfect companion.

Sincerely,

Niska and Dooley's Mom and Dad
