

## 10-082 Noah

I just wanted to let you know that it has been about a month now since we adopted Noah from GRROW. He is a 5-year-old golden who was rescued from a farm near Madison we were told.

Noah is absolutely TERRIFIC!!!!

We love him dearly and get such a "kick" out of him!!! He LOVES to ride in the car; he is VERY mannerly and LOVES to run around our horse farm. He listens VERY well when we call him and obeys us VERY well.

Thank you so much for taking good care of him when he was rescued. We were told he had severe ear infections that disfigured his ears. We clean his ears regularly and our vet has told us he is doing great!!

He still cowards when new people come into our home, but will eventually warm up to them. Everyone thinks he's just what we needed around here!!!!

Thank you again for the work that you do!!!! I'm so glad we could rescue an adult dog and not have to go through the years of training a puppy!!!! He's better than new!!
