

Gracie 08-067

Gracie brought new life into our home. Her sweet personality soon won Grandma over and her new big sister, Zoey would be lost without her. Gracie is very intelligent and

eager to please. She is a cuddler! Gracie loves the freedom of running in the backyard, chasing squirrels, and rabbits. The squirrel don't stand a chance of finding the food they buired. Gracie put her keen sense of smell to work each time she goes out. With her nose to the ground and a light pawing action, Gracie soon comes up with a hidden treasure. There are days you can here the squirrels squaking because Gracie has discovered their new hiding place. Gracie loves to chase anything ball or frisbee that is

thrown, and is learing to fit multiple balls and frisbees in her mouth at the same time. There is not a day that goes by that we are not thankful that Gracie came into our lives.

Gracie has found her forever home!
thank you GROW!!!!
