

Kiera (aka Lady) – 08-027

Here is an update on Lady who was adopted in Sept. '08. We have since changed her name to "Kiera". Kiera is an Irish name meaning, "Dark, fiery long hair." Kiera throws the characteristics of the Irish Setter breed and it was obvious from the beginning that this name fit her much better than "Lady." We have retained the initial "L" in her paperwork to honor her birth right.

Lady has closely bonded with her best dog buddy- Yukon-who is a Siberian Husky-same age as Kiera. They spend lots of time playing chase together in the backyard and laying in the sun sleeping. The rest of her family includes two young children to play with and Mom and Dad. Her favorite pastime is running long bike rides.

She is a tremendous puller and would make a great wheel dog in a sled dog team. Yukon does a great job keeping her on task and

teaching her directions..."Gee and Haw." She gets very excited at the prospect of a squirrel occasionally crossing her path. Her newest adventure is swimming in duck ponds. And given the chance, she dives in with a leap and swims with gusto-easily forgetting that her human is still attached by leash and on bike yet! Ah -the impatience of youth!

Kiera loves her new home. We will send more updates soon.
