

Milo 08-023

We were adopted by Milo on 4/16/08. We are SO happy and feel very lucky to have Milo as part of this family. As far as I'm concerned it was love at first sight. He is such a sweet boy, and is wonderful with the kids...not just ours, but the whole neighborhood's! He loves to play with kids and with other dogs and yet is a true gentleman when meeting new people. He has run of the house and is a good boy when we are gone. He is so excited to see us when we get home...Does a little song and dance with "whatever object is closest" in his mouth. He's a keeper! We can't thank GRROW enough for this wonderful boy! Thank you Scott and Carly and all of you with GRROW for making this possible!
